

Dear Brothers and Sisters in Christ,

This is going to be a quick letter just to bring you all up to speed on what is going on here.

We are getting ready for our BABY!!! Praise the Lord. God has shown his mercy to me and given us grace and it is the most amazing feeling to be standing on the thresh hold of this new and wonderful (and scary) new stage in our lives.

We should be heading down to Krasnoyarsk next week. I have a single friend who has a three room apartment and he is letting us use the whole thing for the whole time we are in K. That sure is going to be nice. I am also trying to figure out how to balance all of the projects we have going plus having a baby! I know I'll be preaching in the head church in Krasnoyarsk on the 13th.

I have been finding a lot of interesting things in scripture concerning the Kingdom of God and it coming in our lives. I have been sharing some of my findings and ideas and have suddenly found myself inundated with requests to speak in churches all over the country. I am praying and seeking God on how this can work together, if at all, with the work of spreading the Gospel to the villages.

The work on the RPTC building is finally moving forward! I retained a lawyer in Krasnoyarsk and the current owner has suddenly become very co-operative. We could have the building in two weeks or so. Please pray for wisdom and swiftness in getting these things figured out. I still hope to do the conference in January in the new building!!!!

Please pray for our van. We have been having some trouble and it seems the more we fix the more we need to fix. We have already driven about 45,000 miles on this van over mostly very bad roads. Pray for wisdom for us if we should keep fixing it or try and sell it and get a new one. The van is an important link in helping us get things done in our work here.

We have two new guys in the rehab center. I have been teaching a series on the first principles of faith for the rehab guys. Please pray that God would build all seven of the guys going through rehab up in their faith.

God is Good!!

INJ,  
Justus and Rebecca Walker (plus one!!!)
